has participated in the following openSAP course:

SAP Leonardo Machine Learning Foundation – An Introduction

Instructors: Karthik Muthuswamy and Matthias Sessler

This course was held from September 25 through December 5, 2018, and comprised 3-4 hours of learning effort.

This course covered the SAP Leonardo Machine Learning Foundation, a platform for machine learning and data science. New business applications and use cases for enterprise machine learning were presented to help you understand the capabilities of this innovative technology.

Walldorf, Germany, December 2018

openSAP is SAP's platform for open online courses. It supports you in acquiring knowledge on key topics for success in the SAP ecosystem.
